OBSERVANCE OF MEMORIAL DAY IN COUNTY FITTING

People Live Up, Generally, to Spirit of President's Proclamation.

PRAYERS FEATURE HERE

Great Parade is Staged at Dunbar With Red Cross Making Strong Showing; Flag Dedicated at Perryopolis; Vanderbilt Has Parade Also.

Memorial Day in Connellsville passed off very quietly. Save for the memorial services at the cemeteries in the morning and the baseball games at Fayette field, in which the Macabees team twice defeated Mount Draddock, there was little to attract attention. The oppressive heat and threatening weather had the effect of keeping at home many who would otherwise have sought the woods.

The prayer services in the Christian church, starting at 1:30 o'clock and lasting until 5, were largely attended. Ministers of the several churches led. The singing was congregational, with the Christian church organist, James Charlesworth, at the piano. A resolution was adopted providing that a message be sent to President Wilson informing the executive that Connellsville had lived up to the spirit of his proclamation relative to the observance of the day.

In the evening open air services were held at Brimstone corner, attracting several hundred persons. A male chorus sang numerous selections and the service was enjoyed by all.

A patriotic meeting was held last night in the Jewish synagogue, with Rabbi S. Strauss officiating. The rabbi opened the service with a prayer for victory for American arms. He explained the spirit of the proclamation of President Wilson and how American victory will secure the position of the Jews all over the world, and will again contribute toward making the Jewish people a nation in a national home of their own in Palestine. The service was closed with benediction and prayer for the welfare of President Wilson and those directing the country's destinies.

All over the county tribute was paid to the soldier dead, and prayers were offered for the boys now battling with the Germans and those soon to be at the front.

Not in many years has there been the observance of Memorial Day that was witnessed at Dunbar. The parade to the cemeteries was said to have been a mile long. The Red Cross, the Jr. O. U. A. M., Boy Scouts and five Sunday schools were among the organizations in line. The observance of the day was under the direction of Rev. W. H. McKivison, sergeant of the picket post at Dunbar. The main procession made its way to Mount Auburn cemetery where the service of the day was held. Rev. J. W. Wilson, pastor of the Presbyterian church, was the speaker. A firing squad of eight men, under command of Mr. Brown, formerly a member of Company D, fired a salute for the soldier dead. His work was pronounced by veterans to have been the finest witnessed at the town. Details of Veterans, Boy Scouts and Juniors visited St. Aloysius and Franklin cemeteries and decorated graves of soldiers and placed flags thereon. All told 68 were thus beautified.

Perryopolis Liberty Loan Honor Flag and the service flag of the Perry township high school were dedicated at the Memorial Day service at Perryopolis. The dedicatory address was made by Rev. E. A. Rodd, pastor of the Third Presbyterian church of Uniontown. With a quota of \$135,000 Perryopolis' subscription to the Third Liberty Loan was \$225,000. The Perry township service flag contained 132 stars, representing the graduates and students of this school in the military service. The dedication of both flags was combined into service which was held in the public square Thursday morning.

The Memorial Day exercises were held in the afternoon with a program at the Washington cemetery. The address was delivered by Dr. C. W. Tinsley, formerly pastor of the First M. E. church here but now of Crafton. The exercises at the cemetery were presided over by a parade in which fraternal organizations, G. A. R. veterans and school children participated.

Union memorial services were held in the Presbyterian church at Vanderbilt, with a good attendance. Talks were made by Rev. D. C. White, Rev. S. W. Bryan, Rev. W. B. Parnell and Rev. J. E. Kidwell. Citizens of the town, children and others paraded to Dickerson Run Union cemetery where further services were conducted and the graves of soldiers decorated. Rev. Parnell made an especially excellent address at the cemetery. J. B. Henderson was in charge of the observance, with E. T. Budd assisting.

WARPING OF RAILS BY HEAT CAUSE OF WRECK AND INJURY TO THREE LOCAL RAILROADERS

Three Connellsville railroad men had a narrow escape from death or serious injury on Wednesday when an unusual wreck occurred near New Castle Junction. The hot sun, beating down on the steel rails, caused them to warp after the heavy freight had partly passed over the tracks, derailing three cars and the caboose.

Harry Twidwell, of Adams street, flagman of the train, jumped, breaking his left thumb in two places and receiving body bruises. He was removed to the Shearings Valley hospital at New Castle.

W. L. Wagner, of South Connellsville, a brakeman, and Roy Windell, of Tenth street, stayed with the train and rode into the wreck narrowly escaping injury.

At the time of the accident the freight was speeding down grade, and some of the cars had passed over the weak track before it warped.

Both east and west bound tracks of the Baltimore and Ohio railroad at Williams, east of here, were tied up all night on account of a freight wreck, twelve cars piling up. Reports received here this morning say the derailment was caused by the breaking of a wheel. No one was injured.

The accident occurred last night at 8:02 o'clock. The west bound track was cleared up by 7 o'clock this morning and it was expected that the east bound railroads would be opened by noon. Trains were detained over the Western Maryland railroad tracks.

RAILROAD EMPLOYEES GIVEN SHARP WARNING BY DIRECTOR MADDOO

Reminded That They Are Working for the Government, and That a Strike Is a Blow at Uncle Sam.

WASHINGTON, May 31.—Railroad employees were reminded by Director General McAdoo last night that they are employees of the United States in time of war, and that a strike means a blow at their own government and the hampering of transportation essential to protect the hundreds of thousands of American boys fighting on the battlefields of Europe.

In a telegram to the heads of all labor unions having shopmen among their members, Director General McAdoo gave notice that the government cannot be coerced or intimidated and called upon railroad men to remain at their duty and rely upon him and the other board of railroad ways and working conditions for just consideration of their claims. He asked the union leaders to urge upon their men by wire the wisdom and patriotism of this course.

A few days ago several hundred machinists and shopmen at Alexandria, Va., left their posts in the Southern railroad shops in protest against small increases given them under the director general's new scale of higher wages, and there have been threats of a general walkout of union shopmen next Monday unless substantial further pay advances are forthcoming before that time.

"The strike of certain machinists, etc., in the railroad shops at Alexandria, Va., has created a very painful impression on the public mind," said the director general's message. "I cannot believe that these men knew what they were doing. They are all employees of the United States government. They are not employees of any railroad corporation, therefore this was a strike against the government of the United States."

MORE SELECTIVES

To be Called Week Beginning June 22; Total May be 300,000.

While the exact number of men to be called to service next month, and the time of their call, will be determined by the condition of the cantonments and camps to receive them, the impression is that at least 200,000 registrants will be inducted into the military service during the week beginning June 22.

Bombs Dropped on All Sides of One of the Largest**FEW PERSONS INJURED**

Are Cut By Flying Glass When Explosions Break Windows.

FRENCH NURSE IS KILLED

Piece of Bomb Pierces Lung of American Nurse; Five Others Nearly Escape Injury and Wounded Soldiers Sleep through All the Noise.

WITH THE AMERICAN ARMY IN FRANCE, May 31.—German airmen made a pretentious raid on the area behind the American lines in Picardy last night. Bombs were dropped on all sides of one of the largest hospitals in a town many miles to the rear of the front. American and French wounded soldiers were carried to canteens and caves by American nurses and members of the American Red Cross.

Only a few persons were injured by flying glass as most of the windows in the hospital had been shattered by bombs dropped the previous night.

That the raid was planned on a much larger scale than recent ones over this territory is evident by reports made by many Americans in villages over which the raiders passed.

The Germans came in wave formation and then scattered widely. One squadron dropped bombs a few hundred feet from an American field hospital and at the same time one of the long range guns shelled the village a few hundred yards away. In some instances the bombs fell within 20 to 40 feet of a hospital building, but fortunately there were no direct hits. A French nurse, her mother and two little sisters, were killed in a house a short distance from the hospital. Another nurse was standing on the upper floor of the hospital ministering to patients, when a piece of bomb struck her, piercing her lung.

Five American nurses were in the same hospital. They were Miss Natalie Scott of New Orleans, Miss Helen Spaulding of Brooklyn, Miss Mary McCarroll of Atlanta, Miss Blanche Gilbert of Cleveland and Miss Constance Cook of San Francisco.

"It was an exciting time," said Miss Scott. "But there was no panic. Some of our boys actually slept through it all, although their beds were showered with broken glass."

A THRILLING APPEAL TO PATRIOTISM IS MADE BY "WAKE UP, AMERICA"

The Illustrated Lecture to Be Given Free in High School Auditorium Monday Afternoon and Evening.

Connellsville people who imagine that the United States is in no real danger from Germany, will be rudely awakened to a realization of our national peril if they hear the great patriotic lecture, "Wake Up, America," which is to be given at the high school auditorium, Monday, June 3, at 2 and 8 o'clock P. M.

This lecture is to be given under the auspices of the Red Cross and the Navy League, progressive patriotic organizations of which Connelville is proud. This lecture shows in a most effective way the terrible features of the world conflict and the menace it holds for America, being profusely illustrated by stereoscopic slides and moving pictures, many of which are taken right on the field of battle. Ruined Belgium and desolated France are seen in painful contrast to scenes of peaceful industry in our own country. The path of the German army can be noted, marked by blood and wanton destruction. The Kaiser is shown as a boy, and the way in which he was educated to war and conquest is clearly brought forth. One sees how the German people have for generations been inoculated with the pernicious and false doctrine that "might makes right."

"Wake Up, America" was recently delivered before an audience of government officials in Washington, D. C., and was received with unqualified approval. Every one who has seen it has gone forth with a keen realization that it will require the united efforts of all true Americans to avert the peril that undoubtedly threatens us. We must face the truth undaunted, and each of us resolve that we will shirk no duty, no effort, no sacrifice that will hasten the day when Germany is defeated and the world again made safe for all.

IN FINE CONDITION

Hill Grove Cemetery Presents Beautiful Appearance.

Hill Grove cemetery never was in a more splendid condition. The lots were all nicely mowed and with the rose and other floral bushes in full bloom and all the graves decorated with potted plants and cut flowers of various colors, the burial ground presented a very beautiful appearance. Too much credit cannot be given Superintendent Joseph T. Johnston who was untiring in his efforts towards bringing it up to this standard. Owing to the public using it as a traffic way, walking over and destroying lots in the cemetery, it was necessary to close the gate on Madison avenue, leading to the cemetery.

BOILING TAR RESULTS IN BLAZE

Tar Overflows Onto Stove at
Owner's Home and It Is Necessary
to Call Out the Fire Department;
Flag Raised by Everson Railroaders.

Special to The Courier.
SCOTTDALE, May 31.—Memorial
Day was appropriately observed in
Scottdale. Promptly at 10 o'clock,
Colonel Ellsworth Post, G. A. R., the
Foreign War Veterans, Boy Scouts
and the Sons of Veterans, led by the
G. A. R. band, fell in line and
marched to the cemetery where ser-
vices were held over the grave of Com-
rade Raynor, the last Civil War vet-
eran to die. The ladies of the W. C.
T. U. presented each Grand Army man
with a bouquet of flowers. Elmer Mor-
row sang, Harvey Ukler read a patri-
otic address and the Rev. G. W. Ter-
bush made a very nice address.

Boiling Tar Causes Fire.
On Wednesday evening an alarm
of fire was sent in from the home of
a man named Colowsky. Members
of the family were holding tar in the
kitchen on the cooking stove so that
they could have tar to paint the stable
roof, and it ran over, setting fire to
the oilcloth around the stove. Mr.
Colowsky was able to get the fire out
before the department arrived, it hav-
ing required more time to clean the
tar off the floor than to extinguish the
fire.

Raise Flag.
Loyal railroad men at Everson have
raised a flag that is a beauty. The
pole was made and presented by O. C.
Coho of Youngwood, and the flag was
purchased by Engineer W. S. Cox and
his brother, Helwig, and Engineer
J. E. Ridgway and his brother, C.
Roth. Old Glory was hung to the
breeze on Wednesday night and the
boys are very proud of it.

UNABLE TO STRIKE A LICK, HE SAYS

His Bad Stomach Long for Tanlac
to Fix Me Up," He Continued.

"This Tanlac has made it possible
for me to return to work," said Ben-
E. Lively, a well-known painter, em-
ployed by Kayser & Althaus, Phila-
delphia.

"I wasn't working and hadn't been
able to strike a lick of work for quite
a while," he continued, "but it did
not require long for Tanlac to fix me
up."

"My stomach became all disordered.
My digestion was bad and I seldom
had any appetite. Most of what I ate
came up on my stomach and pains.
I would become sick at my stomach
and remain so for some time. I guess
it was nervous dyspepsia that really
 bothered me most."

"I gradually grew so nervous and
so generally run down in health that I
was unfit for anything. I was worn
out, tired and almost lifeless. I had
dizzy spells and shortness of breath.
I got so I couldn't sleep soundly and
I wasn't well rested in the morning."

"I saw a Tanlac testimonial that
just about described my case.
"I decided to give this medicine a
trial. I am now glad that I did, be-
cause it is just the thing for me. My
condition has been wonderfully im-
proved. In fact, my stomach is now
strong, my appetite and digestion are
good. I sleep soundly and I feel like
a boy in the morning. Tanlac has
done a great work for me, and I re-
commend it to all my friends."

WAS INTENDED TO FOOL THE PEOPLE.

Until after the passing of the re-
cent primaries one would gain the im-
pression, from reading the Democrat-
ic newspapers of the state, that the
political machine was to be found
among the equipment of no organiza-
tion except the wicked Republican
party. It is interesting and enlighten-
ing, therefore, to have the candid
admission from authentic Democratic
sources that such is not the case.

Thus, in explaining the causes for the
triumph of Judge Eugene C. Boun-
well, the Democratic "wet" candi-
date for nomination for governor,
over Joseph F. Guffey, the "dry"
champion, there is a refreshing frank-
ness in the declarations of the Belle-
fonte Watchman. This consistent ex-
ponent of Democracy of the "fishers"
reveals the truth of the situation after
the following fashion:

"Joseph F. Guffey, of Pittsburg, rep-
resented the arrogant, insolent and
impossible machine through which
Mitchell Palmer and Vance McCorm-
ick have been conducting a half dozen
years, and the result is more a re-
buke to those party bosses than an
antipathy to their candidate.

"The liquor question had something
to do with the result, but not much.
Judge Bounwell stood upon the tra-
ditional theory that each state should
determine its police powers for itself
and that prohibition by amendment of
the federal constitution is an infrac-
tion of the rights reserved to the
states, a subversion of the principle
of home rule. Probably Palmer and
Guffey are of the same opinion, but a
current of popular sentiment swept
them off their feet, and though neither
teetotalers nor even temperance ad-
vocates, concessions to expediency
lured them to a declaration in favor
of the prohibition constitutional
amendment and the people have en-
tered a protest.

"Every thoughtful and observing
man realized that opposition to the
Palmer-McCormick machine was wide-
spread and deep seated. In the his-
tory of Pennsylvania politics no boss-
es had ever before become as arro-
gant and intolerable. The failure to
yield instant and servile obedience to
their commands subjected the oldest
and most faithful adherents to the
party principles to party ostracism
and political oblivion. Democrats of
the true type will not stand for such
conditions, and the defeat of Mr. Guf-
fey, supported by all the means and
machinery of a degenerate organiza-
tion, by a gentleman who had neither
machinery nor money behind him,
proves the width and depth of a just
resentment."

"When we recall that A. Mitchell
Palmer, a few days after the primary,
cast aside the ratification camouflage
that was used in a wordiness and riot
of color prior to the election, and
blatantly told the deluded voters that
the reason Bounwell won is because
the Democratic party is 'wet,' the con-
fession made by our Center county
contemporary is confirmation strong
as Holy Writ that the Guffey candi-
dacy was intended to fool the people
from the outset."

The weatherman is sticking to his
job of making the crops jump these
warm, humid days, and he is making
the one sticky day after another for
the average citizen who dislikes to
jump too vigorously.

Rather Bill's publicity agent, don't
seem to be able to find Calvary on the
map now that it has been captured by
Americans and all efforts of the Hun-
s to retake it have failed, and at fear-
ful cost. Bulletin of that kind don't
sound good to the folks at home, as
Bill well knows.

Lovers of the succulent sauerkraut
can take comfort in knowing that by
including their favorite dish they will
not be accused of disloyalty. The Food
Administration has established the
fact that this dainty originated in Hol-
land, not in Germany, hence those who
make free consumption of it will really
be performing a patriotic service.

Rippling Rhymes

By Walt Mason.

WARTIME LOAFING.

In the sundry sections men have
risen, and cried in ringing tones, that
the goats should go to prison, or else
beat their bones. The scheme is good
and I endorse it, for every man on
deck should work until he busts his
corset, or dislocates his neck. On
every corner has its loafer, who will
not earn a wage; and him the village
cop should go for, and put him in a
cage. The man unfit to wield a saw,
or carve Teats with a sword, should
try a course of honest labor—pitch
hay or saw a board. There is a place
for every ginner who has one leg and
arm, and he can earn a bed and dinner
on any moral farm. Yet husky men
are idly standing in town, forever and
bold as brass they are demanding a
handout at your door. In times of
peace they put it over, the coast
guards got by; but now all men should
put up or shut out their holes and
die. The earnest, busy lads are pack-
ing the burdens of this time; and idleness
is truly stacking, and stacking
crime. There's no excuse for
Wearies, their presence is a sin; so
let the loafers take their bilious
and run the loafers in.

Special to The Courier.
MOUNT PLEASANT, May 31.—Yesterday morning promptly at 10 o'clock the Robert Warden Post, G. A. R., and the Spanish war veterans, led by the Municipal band, marched to the cemetery, where the following program was carried out:
Music. Municipal band; prayer, Rev. J. E. Hartman; reading of Lincoln's Gettysburg address; address, G. W. Barron, Greensburg; music, Municipal band; benediction, Rev. S. E. Fulmer. Immediately after the program, the graves of old soldiers were decorated. Details were made up of men from the G. A. R. to decorate soldiers' graves in the Middle, St. John's, Fairview, Greenlick and German Baptist cemeteries. The homes and business houses along the line of parade were decorated.

A Successful Remedy.
All things succeed which really deserve to—which fill a real need, which prove their worth. The fact that the famous old root and herb remedy, Lydia E. Pinkham's Vegetable Compound, has for three generations been relieving women of this country from the worst forms of female ills and has won such a strong place in our American homes proves its merit beyond the question of a doubt. It will well pay any woman who is in need of such a medicine to try it.—Adv.

Corps Completed.
The teaching staff of the North Union high school for the coming term was made complete Wednesday at a meeting of the school directors by the election of Miss Patricia Locke. Two grade teachers, Miss Margaret Masey and Miss Johnson were also elected. The tax millage has been fixed at 15 mills.

Our Dependence on Iron.

In the attack—when it's time to "buck the line"—when our own boys must go "over-the-top," much dependences will be placed in the iron-tank. In the same way real men—with a "punch"—have come to place their dependence on iron in a new form. Iron is easily assimilated within the body if taken in the form of tablets, called "Iron-ic." These "Iron-ic" Tablets were experimented with by Doctor Pierce and his assisting Physicians at the Surgical Institute in Buffalo, N. Y., and are formed of iron and herbal extracts that are easily taken up by the blood. The blood corpuscles take on a rich color and the whole system feels the effect. Instead of feeling dull, drowsy, blue, "nerves on edge," tired before your work is half done, you feel rejuvenated. Fresh blood, rich in iron, courses thru your body. You have "pep," vim and vigor. The nerves are fed on rich, red blood, and men have the steady nerves, the wallup, the fighting force.

These "Iron-ic" tablets are to be had in sixty-cent vials at most drug stores. If you wish to test them send ten cents to the Surgical Institute, Buffalo, N. Y., and get a trial package. Try them now!

At the Theatres

THE PARAMOUNT.

"THE BELOVED TRAITOR."
Goldwyn feature, in which Mae Marsh, known as the girl with a thousand faces, is seen in the leading role, is being shown today. The eternal conflict of country and city, of innocence and guile, of ambition and dissipation, is the theme of this film play. Mae Marsh has the role of a village girl who inspires the man she loves to do great things, only to be forgotten by him in his great triumph. How the unassuming maid of the Maine seacoast settlement overcomes overwhelming odds is developed in the beautiful production made by Goldwyn. In this production Mae Marsh is presented in a role absolutely different from any she has as yet ever essayed. Throughout the play runs a strong strain of symbolism, typified by the beacon which warns mariners off the rockbound coast of Maine, where a portion of the action takes place. In a smashing climax "The Beloved Traitor" takes rank with the powerful dramas of the year. Miss Marsh is again given an opportunity to prove herself to be an emotional actress of poise and depth. In the last episode of the picture she is a woman adams with primitive passion to fight for the man she loves. Others in the cast are E. K. Lincoln, George Fawcett, Hedda Hopper and Bradley Barker. A Christy comedy is included.

ARCADE THEATRE.

Kilgore's Beans and Belles at the Arcade theatre this week sure have a show a little different from the usual run of tabloid shows, and the answer is they are playing to crowded houses every performance. The comedy is handled by two capable comedians; the chorus work hard each time they appear. The show is well named "A Night Out" for it is a scream from start to finish. The scenery is brand new and the lighting effects add greatly to the show. This company will change the bill again today, presenting a new show entitled "Winning a Wife." The feature with the show is dainty little Baby O'Brien. When it comes to putting over a song she sure does know how to do it a lot better than some grown people. "The Woman in the Web" picture is holding its own when it comes to thrills. This picture will be shown every Wednesday and Thursday. Friday and Saturday will be a special feature Fox comedy. Next week Gus Shy and his wonderful bunch of widows.

ORPHEUM THEATRE.

"SON OF HIS FATHER." A Paramount production featuring Charles Ray, is the attraction at the Orpheum today. Also Mack Sennett comedy, "Those Athletic Girls."

"OUTWITTING THE HUN"

By **LIEUTENANT PAT O'BRIEN**

© 1918, by PAT ALMA O'BRIEN

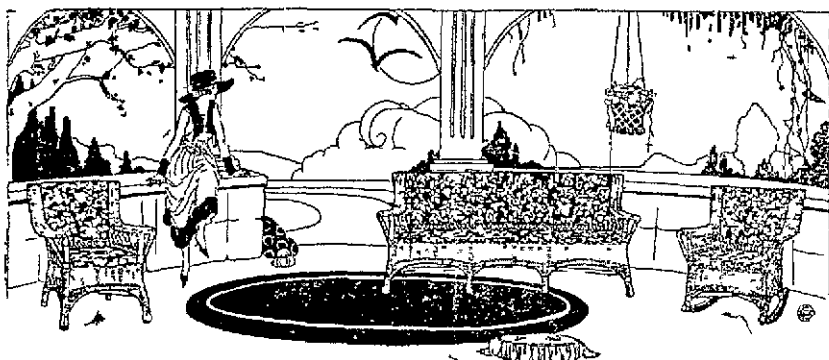

From a Photograph Taken in the Courtyard of the Officers' Prison at Courtrai, Which Lieutenant O'Brien Preserved Throughout His Perilous Journey. O'Brien is Shown Standing Behind the German Guard, Who Sits at the Table in the Center of the Group.

The courtyard was not a very popular place during air raids. Several times when our airman raided that section in the day time I went out and watched the machines and the sharp and bursting all around, but the Germans did not crowd out there, for their own anti-aircraft guns were hammering away to keep our planes as high in the sky as possible, and shells were likely to fall in the prison yard any moment. Of course I watched these battles at my own risk. Many nights from my prison window I watched with peculiar interest the air raids carried on, and it was a wonderful sight with the German searchlights playing on the sky, the "flaming on fow" fired high and the burst of the anti-aircraft guns, but rather an uncomfortable sensation when I realized that perhaps the very next minute a bomb might be dropped on the building in which I was a prisoner. But perhaps all of this was better than no excitement at all, for prison life soon became very monotonous.

One of the hardest things I had to endure throughout the two weeks I spent there was the sight of the Hun machines flying over Courtrai knowing that perhaps I never could have another chance to fly and I used to sit by the hour watching the German machines in a hovering over the prison as they had in a raid not far away and every afternoon on the students—or I took them for students because their flying was very poor—appeared over the town. One certain Hun seemed to find particular satisfaction in flying right down over the prison nightly for my special discomfort and benefit it seemed, as if he knew in advance I was there. It was supposed to last as from noon one day to noon the next. Except for some soup, this was the whole lunch menu.

Dinner came at 5:30 p. m. when we sometimes had a little jam made out of sugar, butter, and a preparation called tea which you had to slice vigorously or it settled in the bottom of the cup and then about all you had was tea water. This tea was a sad blow to the Englishmen. If it hadn't been called tea they wouldn't have felt so badly about it, perhaps, but it was adding insult to injury to call that stuff "tea" which with them is almost a national institution.

Sometimes with this meal they gave us butter instead of jam, and once in

MACCABEES TAKE

TWO FROM MOUNT

BRADDOCK TEAM

Morning Game Memorial Day Ends
2-2, That is Afternoon 2-1,
11 Innings.

In two fierce attacks yesterday the Maccabee baseball team swept the Mount Braddock aggregation off its feet and administered defeats in both morning and afternoon games at Fayette field. In the morning game Howser was hit hard, but tightening up in the pinches, he won out 3-2. The afternoon contest after 10 innings went to the locals 2-1.

The afternoon contest was one of the best seen here for some time. Both teams were in fine fettle for the game, and a large crowd of spectators went home from roosting. Handusky won his own game, hitting with men on the bases. Mt Braddock got its only tally on an error and a passed ball "King" Cole, on the mound for the visitors, won much favorable comment on his pitching. On Saturday, June 3, the locals will play Mount Braddock at Dunbar.

actually BEATS
OUT the Dirt!

Only beating rids floor coverings of sand and grit deeply lodged therein. Such unbedded dirt wears out carpets; it breeds germs.

Only a Hoover Electric Suction Sweeper dustlessly beats out all that grit. Whether carpetings are oriental, domestic or grass we GUARANTEE the Hoover process to add to their life.

We GUARANTEE the Hoover to sweep up—dustlessly and instantly!—the most stubborn-clinging lint, threads, hairs and litter. The Hoover is GUARANTEED to straighten nap. This brings back colorings.

Only the Hoover—in one easy, time-saving operation—does the fore-going in addition to "vacuum cleaning."

For only the Hoover has a Combined Beating-Sweeping Brush, not stationary—like a pushbroom, not slowly revolved by floor rollers—as in carpet-sweepers, but speedily revolved—over 1,000 times a minute—by the electric motor.
